Biography

Our founder, Jennifer "Tree" Sobers, is inspired by her love for fashion, the luxurious pampering of a spa, and the impact of fashion icons such as Coco Chanel, Yves Saint Laurent, as well as entrepreneurs such as Russell Simmons, Donald Trump, and Ralph Lauren. It is her quest to emulate these sources of inspiration to create a unique day spa that will bring a complete, upscale image and personal enhancement experience to the people.

Brennell brings a history of business experience and fashion
